What a horrible Christmas for you to give us. We got the notice from the water co about how much more they want. It's more than my soc sec check went up....way more. I can't afford this and the willful gouging from scgc. This just isn't right. I will have to sell my home and move out of this area and I can't afford that either. What do you want a 78 yo grandmother to do. My yard died for lack of water, I wash clothes once a week, I take quick showers or sponge bath I'm just . One.....person...this made me sick. Please help....US.
